Your personal message to Marko

Marko, this has been a remarkable seminar; the best one I've attended. I have learned so much and I will review all the materials you have given to continue my success. You really are incredible and have accomplished so much.

What was your overall impression of Marko's "Million Dollar Foreclosure" Seminar?

It was very well done - I can't believe how much energy you have. Everyone on your staff is friendly and helpful - they make you feel good. The information was second to none - you have thought of everything.

Marko sent you many different 'video' emails (Fox news, on the beach, at a house, etc)

How many 'video' emails do you remember receiving? What did you think of them?

Several, I don't remember how many. They were good.

What would you like to see us do differently?

Follow book more clearly - that is really the only thing I can think of.

In order for us to make more of YOU successful, we would like your feedback on the products / services that we offered. If money was not a concern, which products / services would you want?

<u>Product / Service</u>	<u>Acceptable Price</u>
* 1. <u>The Noex Financial Grp</u>	
* 2. <u>The Bonus Circle</u>	<u>Priceless - can't put a \$ value to it</u>
* 3. <u>Alex Caviezel Training</u>	<u>I</u>

* If I was successful + money wasn't an object, I would pay what they suggested.

Turn Over

Are you planning on working your foreclosure market when you get home?

Absolutely - you not only have given me the materials but have also given my husband and I the confidence to jump in, help people and become successful.

What do you want to accomplish with this business? What is your dream?

To retire very soon with enough money to enjoy our family (our 5 children and their spouses and 12 grandchildren) We want to help them, spend time with them and our friends. We want to pay off our home - I am a breast cancer survivor - that illness was a reality check - live today; know what is important - family, friends and helping people.

What do you think your biggest obstacle will be when you get home?

Knowing how to put Marko's education into the actual deal - It is a little scary but it's the confidence that I have also gained in this seminar. I have to "walk the walk"

How serious are you about becoming financially secure this year?

I am very serious, particularly in this economy. I will be 62 in a couple of weeks, my husband will be 64, he was just laid-off. We are looking to retire and start living.

Would you be interested in receiving continued support from Marko?

ABSOLUTELY!!!

Thank You!! We truly appreciate your feedback because it helps us to improve our events and to serve you better.
